

Year 10 - Understanding my report

Firstly, you will receive a report 3 times per year (unless you are in year 11 as they only get 2), one for each term. Two of these reports will be an interim report, and one will combine an interim report with sept tutor comments. The report you will receive will look like this.

Subject	End of KS4 target	Autumn term 1						Spring term 1						Summer term 1					
		Overview of Progress						Overview of Progress						Overview of Progress					
		Attitude for learning	Homework	Current	Making Little Progress	Making Good Progress	Making Excellent Progress	Attitude for learning	Homework	Current	Making Little Progress	Making Good Progress	Making Excellent Progress	Attitude for learning	Homework	Current	Making Little Progress	Making Good Progress	Making Excellent Progress
English Language	2	3	4	5	6	6	6	1	1	8									
English Literature	2	3	4	5	6	6	6	1	1	8									
French	7	1	1	9				1	1	6									
Geography	7	1	1	6				1	1	7									
Mathematic	7	1	1	6				1	1	7									
Media Stud	6	1	1	9				1	1	9									
Citizenship	7	1	1	7				1	1	7									
Biology	7	1	1	7				1	1	8									
Chemistry	7	1	1	6				1	1	7									
Physics	7	1	1	6				1	1	7									
Autumn term attendance 98.5%		Spring term attendance 100.0%						Summer term attendance						Overall attendance 99.2%					
Total lates: 0		Total lates: 0						Total lates: 0						Detentions set: 0					
Key		Progress						Attitude/Homework						Attendance					
1		Making excellent progress						Excellent attitude to learning/homework						97% or greater					
2		Making good progress						Good attitude to learning/homework						95% - 96.9%					
3		Below or at risk of not achieving target						Unacceptable attitude/homework on occasions						94.9% or less					
Merits awarded: 62																			

Targets and Grades.

- Students in Year 10 receive an end of key stage 4 target from the grade scale based on prior attainment.
- Grade scale - 1,2,3,4,5,6,7,8,9 for GCSE courses
- Grade scale - P1,M1,D1,P2,M2,D2,D* for equivalent GCSE courses
- Student undertakes 3 assessments, 1 each term.
- Assessments are graded using the grades above.
- Results are recorded on reports
- Students should begin to make progress towards target grade. The 3 columns on the report indicate whether progress is being made.
- By the end of the academic year the majority of students should be making progress towards their target grade.
- At the beginning of year 11, the target grade is re-assessed to make sure it is still an appropriate target.

The report is divided up in to following areas, identified by the numbered dots.

- In this column you will find the subject your child studies.
- This column is your child's end of year target. It is calculated from prior attainment
- and 4 - These columns show your child's attitude towards learning and their homework effort in each subject.
- The current grade that your child is working at. The grade scale for your child is U,1,2,3,4,5,6,7,8,9 With 1 being the lowest and 9 being the highest for GCSE or P1,M1,D1,P2,M2,D2,D* with P1 being the lowest and D* the highest for a GCSE equivalent qualification.
- This shows your child's progress in each subject. This is calculated by comparing their current grade and how far it is from achieving their target grade.
- We report this 3 times per year. (assessment schedule)
- The report key - what each colour and number represents.
- Shows your child's attendance to date, the number of merits awarded and the number of detentions they have been set from the beginning of the year.
- Attendance per term.
